

The diagram shows a square card layout with three nested lines. The outermost line is red and represents the bleed area. The middle line is blue and represents the cut line. The innermost line is also blue and represents the safe zone. Three downward-pointing triangles are positioned at the top: a black one on the left, a red one in the center, and a blue one on the right, each pointing to its respective line.

BLEED

2.75"x2.75"

Artwork that bleeds off the edge of the sheet **MUST** extend to this line

CUT LINE

2.5"x2.5"

This is where the card will be cut

SAFE ZONE

2.25"x2.25"

All text **MUST** be within this line
