

The diagram shows a square card layout. A red border represents the outer edge of the sheet. Inside it, a blue border represents the cut line. The area between the red and blue borders is the bleed area. The area inside the blue border is the safe zone. Three triangles point downwards from the top edge: a black one on the left, a red one in the center, and a blue one on the right. The text labels are positioned below these triangles.

BLEED

2.25"x2.25"

Artwork that bleeds off the edge of the sheet **MUST** extend to this line

CUT LINE

2"x2"

This is where the card will be cut

SAFE ZONE

1.75"x1.75"

All text **MUST** be within this line
